## AZENIS FK510SUV

The AZENIS FK510SUV is Falken's answer for today's growing market of performance luxury crossovers and SUVs. Falken's latest generation ultra high performance tyre, the AZENIS FK510SUV is designed for drivers of premium vehicles looking for excellent grip and outstanding performance. 4D Nano Design enables Falken engineers to optimise new high-performance compounds at the molecular level, enhancing both wear and wet weather traction. Featuring hybrid undertread materials, the FK510SUV delivers confidence-inspiring handling and stability. The FK510SUV allows your performance crossover or SUV to handle the way it was meant to.

## ZIEX S/TZ05

The ZIEX S/TZ05 features the latest in tread compound and construction technology designed specifically for SUV and luxury 4x4 applications. With an advanced M+S all-season non-directional tread design, the S/TZ05 allows rotation in all directions, optimising tread life. With double taper-cut tread blocks and staggered shoulder lug grooves, the S/TZ05 is a smooth, quiet and dynamic tyre. Available from 19 to 22-inch applications, this tyre covers many of today's popular SUV and luxury 4x4 wheel fitments. Whether you're cruising through the city or driving on the open highway, the S/TZ05 provides unparalleled performance and comfort.

## WILDPEAK H/T

The WILDPEAK H/T offers a combination of superb dry handling and responsive wet braking on all roadway surfaces. Falken has optimised traction and control through the combination of a non-directional tread pattern, high-tension casing ply and stiff wide steel belts in order to provide stability and comfort for 4x4s and SUVs alike, whatever the season.

With excellent value from its long lasting tread and optimal ride comfort, the WILDPEAK H/T leaves the competition in the dust.

## WILDPEAK AT3W

The WILDPEAK AT3W is engineered for adventure, any time and in any weather. The tyre combines aggressive off-road ability and rugged terrain driving without compromise on the pavement. An optimised tread design combined with a silica tread compound enables the tyre to excel in three areas: wear, winter, and wet performance. The tyre is packed with technology, from Falken's patented 3D Canyon Sipes to an all-new proprietary lower sidewall. Full-depth sipes and grooves maintain consistent performance and appearance throughout the life of the tyre.

## WILDPEAK M/T

Trusted by the pros to take on the harshest conditions, the tough WILDPEAK M/T is built to get you there and back whether you're on the pavement, mud, snow or rocks. The M/T features Falken's proprietary three-ply DURASPEC™ Sidewall Technology developed to sustain the most punishing off-road conditions. DURASPEC™ also features two high ply turn-ups that provide an additional layer of protection and durability. An aggressive upper sidewall provides additional traction at low air pressures on rugged terrain. The WILDPEAK M/T also features exceptional road manners thanks to an optimised variable three-pitch tread pattern and precision manufacturing technology.

## ZIEX CT50A/S

The ZIEX CT50 is original equipment for the 2016-2017+ Mazda CX-9 models equipped with 20-inch wheels. The CT50 was developed by Falken to specifically meet Mazda's requirements for a tyre which provides outstanding handling stability, refined comfort and quietness.
