

BAJA T/A KR3, KR3-S COMPETITION

The world's best DOT off-road race spec tyre* with an evolutionary design inspired from the winningest 4x4 tyre in SCORE desert racing history. Our BFGoodrich race tyre engineers have been able to design the tyre so it meets various specifications, while maintaining the toughness and performance needed in the desert.

*Warning these tyres are not for public use. Please speak to us for more information.

Engineered with race-proven CoreGard™ technology for tougher sidewalls, thicker extended shoulder rubber and advanced deflection design.

The serrated shoulder design provides greater manoeuvrability in soft soil.

Mud-phobic bars improve shoulder cleaning in muddy and soft soils.
