

AT771 BRAVO

4WD

A premium all-terrain tyre engineered to handle your favourite trail or work route, the AT771 is designed to tackle asphalt, dirt, mud and anything it contacts in between. The unique pattern features wave siping and staggered shoulders for extra off-road traction, while the multi-pitch tread blocks minimise pattern noise for a refined driving experience.

FEATURES & BENEFITS

- 1 All-season, all-terrain tyre designed for excellent off-road performance while retaining on-road refinement.
- 2 Multi-pitch tread pattern design minimises pattern and road noise while maintaining excellent off-road performance.
- 3 Staggered shoulder lug design creates a biting edge for extra off-road traction.
- 4 3D tread blocks provide additional tread stiffness to minimise irregular wear and increase overall stability.
- 5 Four unique U-shaped circumferential grooves offer excellent hydroplaning resistance while minimising rock retention.
- 6 Jointless spiral-wound cap ply maximises ride refinement and durability.
- 7 Overall construction designed to improve off-road stability and handling.
- 8 M&S all-season rated.
