

Much like its HT750 predecessor, the Maxxis HT760 is also the perfect SUV tyre for drivers who like a little bit of off-road driving - even if it's just on a gravel driveway. Its all-season tread pattern offers a smooth, quiet and comfortable ride in all conditions.

FEATURES & BENEFITS

- 1 Double steel-belted construction for long-lasting wear and uniformity.
- 2 Jointless spiral-wrapped full nylon cap for added strength and durability.
- 3 All-season tread pattern delivers a smooth, quiet ride.
- 4 Specially formulated rubber compound allows for exceptional handling in various road and weather conditions.
- 5 Two polyester body plies absorb road shock for a smooth and comfortable ride.
- 6 M&S all-season rated.
