

A true all-rounder, the Maxxis MT753 was developed to give maximum traction both on and off the road. And it does just that – its uniquely spaced tread blocks ensure exceptional self-cleaning ability for maximised traction and prolonged tread life.

FEATURES & BENEFITS

- 1 Double steel-belted construction for long-lasting wear and uniformity.
- 2 Jointless spiral-wrapped full nylon cap for added strength and stability.
- 3 Special tread design delivers excellent traction in both on and off-road terrain.
- 4 Open shoulder lugs provide exceptional self-cleaning capability.
- 5 Premium rubber compound and heavy duty construction provide excellent durability and strength.
