

The M35 is a Maxxis classic. With its asymmetric tread design, it is the perfect solution for anyone wanting luxury and comfort with a bit of extra fun!

# M35 VICTRA

UHP

## FEATURES & BENEFITS

- 1 Ultra-high performance tyre designed for luxury sports cars.
- 2 Asymmetrical, non-directional tread pattern allows cross-rotation to maintain noise performance throughout the life of the tyre.
- 3 Semi-continuous inner ribs offer extra stability during braking and acceleration.
- 4 Four wide, circumferential grooves improve hydroplaning resistance.
- 5 Computer-optimised tread block arrangement and pitch sequence offers a quiet and refined ride.
- 6 Jointless spiral-wound cap ply maximises ride refinement and durability.
- 7 Innovative silica tread compound promotes outstanding wet and dry traction.
