

The Maxxis PRO R1 is a state-of-the-art UHP tyre that offers outstanding durability and handling.

# PRO R1 VICTRA

UHP

## FEATURES & BENEFITS

- 1 Ultra high performance tyre designed for premium sport sedans and coupes.
- 2 Five-rib tread pattern design with multi-pitch tread block arrangement reduces pattern noise whilst increasing performance in dry conditions.
- 3 Continuous shoulder-rib design minimises tread squirm under cornering, enhancing cornering stability and steering response.
- 4 Four wide circumferential grooves provide excellent hydroplaning resistance and traction in wet conditions.
- 5 Microsilica-infused compound reduces rolling resistance and improves traction in wet conditions.
- 6 Jointless spiral-wound cap ply maximises ride comfort and durability.
- 7 Stiff casing structure ensures excellent high-speed stability and handling.
